Content overview of Phase I and II sessions:

Day 1: Introduction to Problem Gambling General Knowledge (6 hours)

Provide an in-depth understanding of gambling and what constitutes gambling.

Day 2: Intake/Assessment (6 hours)-Provide in-depth look at DSM-IV criteria, co-occurring disorders, assessment tools.

Day 3: Individual/Group (6 hours)-Provide review of assessment and applicability of assessment information in treatment planning and appropriate treatment goals for gamblers.

Day 4: Individual/Group (6 hours)-Provide understanding of the process of gambling behavior change, using hands on tools to help in individual and group sessions to promote this change.

Day 5: Financial (6 hours)-Develop an understanding of money vs. action, the importance of diagnostic criteria based on finances and creating budgets for gamblers.

Day 6: Family (6 hours)-Provide knowledge of theoretical approaches to family dynamics and family therapy approaches with problem gambling families.

Day 7: Family (6 hours)- Provide understanding of problem and pathological gambling, effects on families, ways of involving families in initial stages of treatment, and working with family if gambler isn't in treatment.

Day 8: Case Management (6 hours)- Provide understanding of timeline of recovery, suggested assignments, treatment techniques and counselor interactions and use of appropriate resources in the recovery process.

Day 9: Legal Issues (6 hours)-Identify appropriate role of counselor in working with Arizona legal system in treatment of problem gamblers.

Day 10: Special populations (6 hours) -Provide information on special treatment needs of populations including Hispanic, Women, African American, etc.

Advanced Training Presenter: Dennis McNeilly, Ph.D., is a Clinical Geropsychologist and Assistant Professor of Psychiatry at the University of Nebraska Medical School Department of Psychiatry in Omaha, NE. Dr. McNeilly, a nationally known speaker, writer and scholar and is recognized as one of the country's authorities on problem gambling and older adults.

This advanced training will enable counselors to understand the games senior gamblers play, learn about the types of senior gambling and their problems with gambling, learn what denotes action in the senior gambler, and identify characteristics of the senior problem gambler.

Presenter will talk about latest pharmacological advances in working with problem gamblers.

All workshops are supported in whole or part from funds received from the Arizona Office of Problem Gambling. CEU'S have been applied for from the National Council on Problem Gambling and the Arizona Board for Certification of Addictions Counselors. **Cost of Training: \$150 for each Phase (\$30/day). Sessions begin at 8:00 a.m. and end at 3:30 p.m. Registration includes refreshments. Participants are responsible for their own lunch.**
